8:43 PM **Caleb**: I could talk to my peeps at the News about the Zemeckis story.
8:44 PM **me**: word, that'd be swell
Caleb: Remind me what it's about.
8:47 PM **me**: his wife wrote a book
now she doesn't want it published
it's about how she's a whore
8:48 PM **Caleb**: Why'd she write it?
me: not sure
8:49 PM she's actually just looking to go with another publisher
to get more money
Caleb: This doesn't really seem like a particularly interesting story.
me: yeah
I just told him I'd try
but it has angles
and whatno
t
like, she's a whore
8:50 PM maybe there'sa bunch of whore shit in this book
you're the media guy
Caleb: Who are you doing this for?
